

February 21, 2019

Greetings Caledonia and Mumford Business Owners,

We recently attended the Greater Wheatland Chamber of Commerce meeting in Scottsville at the VFW hall.

We would like to encourage all the businesses, churches, and the school to consider joining the Chamber as it will benefit all involved through networking, advertising, events, and social media.

Conveniently for us, the next meeting of the Chamber is going to be at the Mumford Library on Tuesday, March 19<sup>th</sup> beginning at 6:00pm. Current officers and members will be attending so if you have any questions about the organization, answers will be readily available.

Applications to join will also be available at the meeting. Annual dues for businesses, municipalities, and school is just \$50.00. Non-profit/Service/Churches may join for \$40.00 per year and Friends of the Chamber may join for \$30.00 annually.

Thank you all for your consideration, we hope to see you at the next meeting.
